CATLINK ADOPTION APPLICATION

Please read the Adoption Policies and check with the staff if you have any questions. Initial here X _____ indicating you have read and understand the adoption policies. Rev. 05/2001

Adoption screening increases the likelihood that you will end up with a pet that is right for you! Like humans, animals have unique personalities, backgrounds, temperaments and needs. Not every animal is appropriate for every home. The information on this form will assist us in matching the right pet with the right home. Our goal is to have every animal we adopt out to be safe, loved and happy and every adoptee be happy in their choice of a companion.

Name of animal(s) applying for: _____

Signature: _____ Date: _____

Would you like to make a donation. This will go entirely to upkeep of the cats.

- \$30
- Other _____

Adoption Policies (Rev 9/2002)

- Adopters must be at least 18 years of age.1
- Renters must have written or verbal permission from landlords.
- Selected cats or kittens may be held for verification of application information.
- Cats will not be adopted to a second party, or as a gift.
- Cats will not be adopted for the sole purpose of hunting and mousing.
- Cats will not be released for research of any kind.
- We require all cats to be spayed/neutered and be current on vaccinations.
- Adherence to all laws and ordinances is required.
- We strongly encourage a health exam for your cat(s) to establish a relationship with your veterinarian.
- To the best of our knowledge, only healthy cats and kittens are placed for adoption, any health or treatment history will be disclosed. However, we take no responsibility for illness, injury or death of any feline adopted.
- We ask for a donation to help offset the cost of spay/neuter and caring for cats of \$30.00. A spay or neuter contract will be required for extremely young kittens adopted and \$20.00 will be refunded upon proof of spay/neuter. Failure to have the cat altered by 6 months of age is a breach of contract and you may be asked to forfeit the cat.
